

2016 Komen Dallas County Volunteer Opportunity

Street Team Member

The Street Team member is responsible for distributing breast health education, and grantee resource listings to various locations (local businesses, community based organizations, churches, clinics, etc.) to the Affiliate's current target areas of Cedar Hill, Desoto, Lancaster, and South Dallas. The Street Team will also be asked to distribute Race for the Cure marketing materials to various locations throughout the Affiliate's service area, in order to help bring awareness of the event to the public.

- Obtain Affiliate materials, and return any extra materials upon completion of each project
- Distribute materials, as directed, to appropriate areas within the Affiliate's service area
- Ensure that proper approval from location is obtained from owner and/or manager, prior to distributing materials
- Document all locations (organization name, address, city, state, zip code, and name of owner or manager who gave approval) where materials are distributed on behalf of the Affiliate, and submit that documentation to the Affiliate, upon completion of each project
- Responsible for management of Affiliate materials used for distribution projects, as directed
- Attend a Volunteer 101 Training, as appropriate
- Communicate with Affiliate staff as needed
- Respond to communication from Affiliate staff (phone, email, etc.,) in a timely manner
